Thank you to our amazing sponsors and in-kind partners!

For over 25 years, Lighthouse for Grieving Children and Families has been offering peer support groups to grieving children and youth ages 3-25 years, from Halton, Hamilton, Peel, and beyond.

Groups are available in-person and online, and they are open-ended, so families can stay with the Lighthouse community for as long as they need, to actively explore their grief in their own time.

Lighthouse receives no government funding and relies on the generosity of our communities to ensure our services remain free to families who need them.

Investing in the future of Lighthouse today is an investment in the mental and emotional well-being of children and youth for years to come.
