You will learn:

How to start your own "Lighthouse" ◀

The peer support model for children, youth & caregivers both in-person & virtually.

Exploration of Grief Fundamentals ◀

Including grief models, developmental impacts, appropriate language, and best practices.

Offering Alternate Forms of Support ◀

Providing support beyond the peer support model through service navigation & consultations.

Organizational Structure ◀

The importance of staff, Board of Directors, volunteers, and other program development.

Equity & Inclusion ◀

The importance of cultural humility and prioritizing inclusion, diversity, equity & accessibility.

We invite you to join us for this invaluable training on how to implement the peer support model in your own community, and help ensure that no child grieves alone.
